

Where to Donate Furniture

Thank you for contacting Jconnect for help donating furniture. As of September 21, 2011 most of the places listed below will pickup furniture; however many places will not take mattresses or other upholstered items. Other organizations may have restrictions on stair and elevator usage. Still others will only pick up from single family homes. Almost all of these places schedule their pickups several weeks or more in advance, so please call to schedule as soon as you know that you will need the service. You can always cancel. A few organizations offer a next-day pickup option for a fee. Please note that organizational priorities change; so when you call to schedule a pickup please be very clear about what you are donating. If an organization no longer takes any type of furniture please call 301-348-7356 to have them removed from this list.
