

Where to Donate Baby Items

Thank you for contacting Jconnect for help donating your unneeded baby items. As November 2011 the places listed below will take your donations, however not all of them will pick them up. Those that do pick up donated items schedule their pickups several weeks or more in advance, so please call to schedule as soon as you know that you will need the service. Note that organizational priorities change, so even if you plan to drop off the items we suggest calling the organization first to make sure they can accept your donation. Please be very clear about what you are donating. If an organization no longer takes these items please call 301-348-7356 to have them removed from this list.
