

Where to Donate Household Goods

("Household Goods")

includes dishes, linens and other non-furniture household items).

Thank you for contacting Jconnect for help donating your unneeded household items. As of March 2012, the places listed below will take all or most household goods; however not all of them will pick them up. Those that do pick up donated items often schedule their pickups several weeks or more in advance, so please call to schedule as soon as you know that you will need the service. Please note that organizational priorities do change; so when you call to ask if they accept your items please be very clear about what you are donating. If an organization no longer accepts household goods please call 301-348-7356 to have them removed from this list.
