Thank you for contacting Jconnect for help donating your car. As of November 2011 the places listed below will accept vehicle donations. However they may not all be able to give you the same tax deduction, so be sure to ask how your deduction will be calculated. For more information you can contact your local IRS office or follow the above link. Please note that organizational priorities do change. When you call to ask if they will accept your vehicle please be clear about what you are donating. If an organization no longer takes automobiles please call 301-348-7356 to have them removed from this list.
