

Winter Emergency Kits

Winters are some of the most difficult months for those who don't have a warm place to stay. Below as a simple Winter Emergency Kits to help someone through some of the coldest nights.

In each kit you can add:

- Socks
- Rain Poncho
- Hand Warmers
- Earmuffs
- Gloves

Place each item nicely in a Ziploc bag. Please keep in mind that these kits will be given to homeless women during the cold winter months. Take the same time and care while you put it together, as you would with a package for someone in your own family.
